

IN CONGRESS, JULY 4, 1776.

The unanimous Declaration of the thirteen united States of America.

When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

State Sovereignty, Economic Intelligence, Founding Principals and Personal Accountability are the foundations we stand for at Tea Party Boise, LLC.

A MESSAGE FROM TOM LEHMAN
DIRECTOR

Hello Fellow Tea Party Members,

Tea Party Boise was organized in March of this year with several objectives that include: connecting like minded groups in our area that share concern about government spending and control, being more proactive in our local and state governments and making it easier for people to access information that impact private property and individual rights. We, the leaders of Tea Party Boise, wanted to give people an opportunity to meet others who believe in the principles of liberty and to unite our lone voices into a roar that could not be ignored.

We have a legislative team in place that has fought tax increases in our state, and protected the freedoms of small business owners in Eagle. Throughout this upcoming session of State Government the Tea Party Boise Legislative Team will be watching state representatives and keeping you posted on their agenda and how they are voting.

You are NOT alone! Tax Day Tea Parties in April were ignored by many of our elected officials, the media, and the current administration. They are not ignoring us now! We, Tea Party Boise, will hold local and state representatives accountable for bad legislation.

ABOUT US

Tea Party Boise provides a platform for those who believe that government is responsible to the people and that it has limited power as stated in the Declaration of Independence and the Constitution of the United States of America.

The goal of Tea Party Boise is to promote liberty by uniting the voice of the people that believe, as inspired by the founders of this nation, that local, state, and federal government are "public servants" that with our best interests at heart will defend life, liberty, and property.

SUCCESSFUL 4TH OF JULY CELEBRATION!

The day started with the Liberty Day Parade followed by a gathering of an estimated 250 at people at Julia Davis Park to enjoy a barbeque. A special project, TOSWL (to our soldiers with love) received various items and funds to purchase items for care packages in support of our military men and women stationed overseas. Thanks to the generosity of so many for their contributions and for all the volunteers and supporters that made this effort a success.

APRIL 15TH, TEA PARTYS NATIONAL MOVEMENT

Tea Partys across the United States protested against rampant government spending. History was made when over 1 million Americans took to the streets in over 850 cities to demand their voices be heard. Many, including the elite media tried to discredit and ignore the rallies, however, Fox News was among the few who advertised the event and gave coverage throughout the day in many major cities. April 15th is just the first chapter in the Tea Party movement.

Thanks to all the volunteers and those who participated.

Tom Lehman continued-

Now is the time when we must stand together with one clear voice, that we are reading the bills they are not, that we are doing the research they won't, and most importantly, that THEY work for US, and we have had enough. This is your call to action. It's time to hit the phones and the emails. Time to educate your friends and neighbors regarding the importance of September 12th. It's time to unite.

I love this country and all the opportunities it has given me. I will not stand by and do nothing while it is taken apart piece by piece. Today, I exercise my right to peacefully gather with others and express my love for this country with the belief that we can save it.

I hope to see you September 12th!

God Bless,

Tom Lehman
